JANET MCCANN

<https://www.janetmccannndesign.com/>

Janet is a great team member who has an excellent feel for material selections that please the client, and coordinate well with the architecture. Has worked with both Gary and Ed.

[Leed Gold Home](#)

SUMMER THORNTON

<https://summerthorntondesign.com/>

Vibrant Creativity and Passion for Exuberant design, meshes well with our team. Josh & Summer provide a unique design experience.

SARAH BACK

<http://www.backinteriors.com/port>

Highly resourceful designer, with a deep knowledge of finishing techniques. Her bold, color saturated solutions and creative furniture arrangements are the star of any project we do with her.

[Shingle Style Transformation](#)

ALLISON HENRY

<https://allisonhenry.houzz.com/>

Allison has a deep list of resources to utilize as she meshes with our clients on the journey through the design process. Her proposed solutions for palate, furniture arrangements, and Window treatments have a timeless quality, but always fresh.

[Pied-À-Terre](#)

BRUCE FOX

<https://www.brucefoxdesign.com/>

Bruce has a wonderful eye for texture and character. His work with us brings that warmth and realness into highly contemporary or even traditional settings. Also a great team player who integrates with our work in a highly effective manner.

MPINK DESIGN LLC.

<http://www.mpinkdesign.com/>

MPink has a great eye for the things that tie a home design together from room to room, providing a fully integrated solution. Claudia Mendelson's background in Architectural firms brings a structured, teamwork approach to the process that we appreciate. Her knowledge brings enormous skill, especially to the procurement and installation phases, where it all has to come together right.
