

## LANDSCAPE DESIGNERS

## RECOMMENDATIONS

### **CULLITON QUINN LANDSCAPE ARCHITECTS**

<https://cullitonquinn.com/>

Culliton Quinn believes well-conceived landscapes can change the way people live. Thoughtful circulation, careful plant selections, and tree preservation can be seen in all of their projects.

### **PRASSAS LANDSCAPE STUDIO**

<https://www.prassaslandscapestudio.com/>

Prassas Landscape Studio is dedicated to the thoughtful design of landscapes through the integration of sustainability and innovation.

### **HOERR SCHAUDT**

<https://www.hoerschaudt.com/>

Hoerr Schaudt (pronounced Hare-Shout) is a team of landscape architects, urban planners, and horticulturists who craft innovative outdoor spaces that delight on every scale, from city streets to vast public parks.

### **ROSBOROUGH**

<http://www.rosboroughpartners.com/>

Rosborough Partners has built an innovative, down-to-earth landscaping business based on relationships. The solid, long-standing connections between our clients and staff ensure good communications, effective solutions and impressive results.

### **SCOTT BYRON**

<https://scottbyron.com/>

Scott Byron & Co helps you imagine your dream space, and then creates it for you. They bring art and nature together and create inviting outdoor spaces for clients.

### **BOTANICAL CONCEPTS**

<https://botanicalconceptschicago.com/>

Whether designing a rooftop oasis, a grade level garden, or just creating the best array of seasonal plants for a given space, Botanical Concepts commitment to excellence runs deep.
